

Product	Chlorella Tablets Organic
Deutsch	Chlorella Tabletten BIO
Nederlands	Chlorella Tabletten Biologisch
Latin	Chlorella Vulgaris
Country of Origin	China
Article Number / Artikelnummer	40030
Issue date / Ausgabedatum	06-02-2020
Reference Code / Referenznummer	20210608
Control Body Number	NL-BIO-01
HS-Code	12122100

NUTRITIONAL INFORMATION	Per 100g	Units
Energy	1455 / 344	Kj/Kcal
Fat	1.8	g
Of which saturates	0.5	g
Of which unsaturates	0.5	g
Carbohydrate	11	g
Of which sugars	0.7	g
Fibre	14	g
Protein	65	g
Salt	0.15	g
Vitamin A	1437	µg
Riboflavin (B2)	0.3	mg
Vitamin B12	58	µg
Phosphorus	1100	mg
Iron	76	mg
Zinc	2.6	mg
Manganese	5.7	mg

We periodically review our nutrition information based on a risk assessment to account for seasonal variability, growing condition and other factors that cause nutrition result to vary. Please find our updated Technical Data Sheet.

BRIEF DESCRIPTION

An organic, nutrient rich, blue-green algae, Chlorella, flourishes in subtropical and tropical waters. Cultivated Chlorella grows in filtered natural water under strict controls as the green pigment in chlorophyll. Rich in organic matters, Chlorella is a popular basis for detoxification programmes. Chlorella embodies a plethora of key vitamins and minerals including calcium, iron, phosphorous and potassium. Affluent in its nutritional value, the Chlorella cell is protected by a tough wall. This cell wall is broken by milling to make the product nutrients more bioavailable. Organic Chlorella powder is then pressed into tablets by a registered pharmaceutical. Chlorella tablets are inspected and meet the standards set by the Medicine and Healthcare products Regulatory Agency. No bulking agents such as magnesium stearate, which may impact on the taste, are used.

INGREDIENTS

100% Organic Chlorella Algae

SUGGESTED USE

6-10 tablets per day. Please consult your doctor before taking any nutrient-dense products.

PRODUCTION PROCESS	Acceptance of raw materials – Sieving – Blending - Powder pressed into table - Metal Detection - packaging
SHELF LIFE & STORAGE	3 years when properly stored. Store in a cool dry area, do not freeze, and keep away from direct sunlight.

AUTHORISED HEALTH BENEFITS BASED ON MICRONUTRIENTS

Micronutrients in Chlorella Tablets contribute to:

normal iron metabolism	maintenance of normal bones
maintenance of normal mucous membranes	maintenance of normal teeth
maintenance of normal skin	normal growth and development of bone in children
maintenance of normal vision	normal cognitive function
normal function of the immune system	normal formation of red blood cells and
process of cell specialisation	haemoglobin normal oxygen transport in the body
normal energy-yielding metabolism	normal cognitive development of children
normal functioning of the nervous system	normal DNA synthesis
maintenance of normal red blood cells	normal acid-base metabolism
normal metabolism of iron	normal carbohydrate metabolism
protection of cells from oxidative stress	normal fertility and reproduction
reduction of tiredness and fatigue	normal macronutrient metabolism
normal homocysteine metabolism	normal metabolism of fatty acids
normal psychological function	normal metabolism of vitamin A
normal red blood cell formation	normal protein synthesis
process of cell division	normal formation of connective tissue
normal function of cell membranes	protection of cells from oxidative stress

These approved health benefits are based on the detailed nutritional composition of the product we supply for informational purpose only and are in compliance with regulation (EC) No 1924/2006. These health benefits may not be applicable to similar products from other suppliers.

ALLERGEN STATEMENT

Chlorella may contain naturally occurring sulphites. The list of allergens which are likely to cause adverse reactions in susceptible individuals is provided in Annex II of Regulation (EU) No 1169/2011. Sulphur dioxide and/or sulphites at concentrations of more than 10mg/kg or 10mg/L (litre) in terms of the total SO₂ which are to be calculated for products as proposed ready for consumption or as reconstituted according to the instructions of the manufacturers.

AUTHENTICITY

Organic Chlorella Tablets is 100% natural and do not contain any additives such as sugars, acids, colorants, preservatives, etc.

GMO FREE

Organic Chlorella Tablets is not subject to genetic modifications. Process controls are in place to ensure no accidental contamination with genetically modified materials, or materials derived thereafter, can occur. We hereby certify that Organic Chlorella Tablets is not subject to labeling under EU Regulations 1829/2003/EC and 1830/2003/EC on genetically modified food and feed.

PESTICIDES

Organic Chlorella Tablets complies with the requirements outlined in Council Regulation (EC) No. 834/2007 (and consecutive amendments). During the manufacturing process the product and the packaging materials are not exposed to pesticides or pesticide residues. Pesticides are not stored on site, nor used in the manufacturing or warehousing areas.

IRRADIATION

The product has not been irradiated and complies with the EU regulation 1999/3/EC.

BSE STATEMENT

Organic Chlorella Tablets is produced exclusively from plant source, and do not contain any components from animal origin. It has not been derived from any animal source, and has not come into contact with any components of animal origin.

RESIDUAL SOLVENTS

No residual solvents are used in the manufacturing process.

LEVEL OF UNDESIRABLE SUBSTANCES

The strictly controlled production process of Chlorella Tablets ensures that the undesirable substances levels (heavy metals, PAH, mycotoxins, etc.) are below the limits identified by EU legislation (Commission regulation No 2073/2005, No 1881/2006 and consecutive amendments), including the recommendations provided by EFSA on food contaminants.

ANIMAL TESTING STATEMENT

VehGro B.V. confirms that we do not conduct or commission animal testing of any products.

OTHER INFORMATION

The information contained herein is based on the present state of our knowledge and is intended to describe our product from the point of safety requirements. It should not therefore be construed as guaranteeing specific properties.

The nutritional information provided in this document is based on nutritional testing and on average, as required by regulation (EC) No 1169/2011. The information is not meant to ensure warranty of characteristics. It comes without commitment and is not valid for any claim of warranty and product liability respectively.
