Brief Description

Our Plant Protein Blend has been specially formulated to provide a complete source of natural, plant-based protein. With no added flavours or sweeteners, this is a versatile ingredient that can be added to sweet or savoury recipes for a protein boost. Our combination of rice, pea and hemp protein mean that it is also completely free from soy and dairy, which are often found in protein powders.

Ingredient(s)

Organic Rice Protein Isolate, Organic Pea Protein Isolate, Organic Hemp Protein Powder.

Suggested Use

Take 8-16g (1-2 tablespoons) once or twice a day.

Intended Used

Ingredient with no further sterilisation temperatures expected for final product. Intended for general population including vulnerable groups.

PRODUCT FORMULATION

Recipe	Recipe Break Down %	Country of Origin
Organic Rice protein Powder	40%	China
Organic Pea Protein Powder	40%	China
Organic Hemp protein powder	20%	Netherlands, United Kingdom, Romania

Amino Acid Composition

	Per 100g
Alanine	3.48
Arginine	6.32
Aspartic Acid	7.44
Cystine	1.15
Glutamic Acid	12.8
Glycine	3.15
Histidine	1.79
Isoleucine	3.00
Leucine	5.36
Lysine	3.89
Methionine	1.35
Phenylalanine	3.91
Proline	3.19
Serine	4.21
Threonine	2.80
Iso-Leucine	3.00
Tyrosine	2.54
Valine	3.43

We periodically review our nutrition information based on a risk assessment to account for seasonal variability, growing condition and other factors that cause nutrition result to vary. Please find our updated TDS.

PRODUCT INTEGRITY STATEMENT

Authenticity

Protein Blend Organic is 100% natural and do not contain any additives such as sugars, acids, colorants, preservatives, etc.

GMO Free

Organic Bulk Protein Blend Powder is not subject to genetic modifications. Process controls are in place to ensure no accidental contamination with genetically modified materials, or materials derived thereafter, can occur. We hereby certify that Organic Maca Powder is not subject to labeling under EU Regulations 1829/2003/EC and 1830/2003/EC on genetically modified food and feed.

BSE

Organic Bulk Protein Blend Powder is produced exclusively from plant source, and does not contain any components from animal origin. It has not been derived from any animal source, and has not come into contact with any components of animal origin.

Animal Testing

Vehgro BV confirms that we do not conduct or commission animal testing of any products.

Novel Food Statement

Cannabis Sativa: In the EU, the cultivation of Cannabis sativa L. varieties is permitted provided they are registered in the EU s Common Catalogue of Varieties of Agricultural Plant Species and the tetrahydrocannabinol (THC) content does not exceed 0.2 % (w/w). Some products derived from the Cannabis sativa plant or plant parts such as seeds, seed oil, hemp seed flour, defatted hemp seed have a history of consumption in the EU and therefore, are not novel.

Other specific national legislation may restrict the placing on the market of this product as a food or food ingredient in some Member States.

Organic Hemp Protein powder which is produced from Organic Hemp Seeds contains tetrahydrocannabinol (THC) levels of less than 0.2% (w/w) as permitted by European Union Regulation (EU) 2015/2283 (Novel Food Regulation):

Tetrahydrocannabinols (THC)

The finished product meets the EC Commission proposed maximum level in ground hempseeds defatted hempseed flour of 3 mg/kg

Cannabidiol (CBD)

Organic hemp products derived from the Cannabis sativa L plant or plant parts such as seeds, hemp seed flour, defatted hemp seed have a history of consumption in the EU and therefore, are not novel under European Union Regulation (EU) 2015/2283 (Novel Food Regulation).

The product contains CBD at levels of less than 0.1 mg/kg which is our internal limit. Consumption of this product following the labelled instructions does not result in consumption of more than 70mg a day (about 28 drops of 5% CBD)
